### THE RIGHT CHOICES DURING DIFFICULT TIMES

We empowered you and your travelers to make the best decision for them at a time when no one else was and continue to offer flexibility in a variety of ways. When a tour was canceled, these were the choices:

**1<sup>st</sup>**  
choice

Re-book travel on a future departure- **price protected\***

**2<sup>nd</sup>**  
choice

A travel voucher valued at **105% of money received**

**3<sup>rd</sup>**  
choice

Full **money-back** refund

*\*Travelers who have purchased land and air through Collette are protected on both*

### To Date Collette has refunded over **\$170 Million!**

One of our core values is to BE RESPONSIBLE. You entrust your traveler's funds with us and we firmly believe that we haven't earned your money until your tour operates. Throughout the pandemic, we adhered to this belief by delivering full **money-back** refunds to guests who requested money back on canceled tours. To date, we have refunded over **\$170 million** because it was the right thing to do.

I travel exclusively with Collette for many reasons. In a time of change and uncertainty, Collette is a constant. They are a company I know I can always count on to make the right decisions. They are a company that I trust. I trust them to take care of my groups and I trust them to always make it easy to travel. When I plan trips with Collette, I make those plans confidently. I am booking future Collette trips right now. It gives me real peace of mind knowing that their unparalleled, industry-leading insurance plan allows our travelers to cancel up to a day before we leave and get a full cash refund. During a time when we all want to work with companies we can trust, Collette is at the top of my list.
